Dear Mr. Mathews,

The Office of the Washington State Auditor has received and completed our response to your public records request sent in via our website, as follows:

I am requesting if possible information where to find a Pension for my father. He passed and his probate was completed end of 2021.

In response, our office does not have the records you are seeking. Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. Since we have no responsive records, we will now consider this closed.

Sincerely,

Mary Leider, CPRO
