Hello Reti,

Yes. As far as I know the only pumps we have (not using pumps from Pacific Pride or other vendors) is:

the one here on San Juan. Two pump towers that dispense unleaded and diesel. So 4 pumps total (4 nozzles) two unleaded, two diesel.

the one on Orcas. One Pump tower that dispenses unleaded and diesel (two nozzles).

and one on Lopez. One Pump tower that dispenses unleaded and diesel (two nozzles).

Please let me know if you have any questions.

Thank you!

Good Morning Christie,

Below are the question from SAO regarding fuel station.

Item #	Priority, or date the item is needed by	PBC Item <i>Please contact us if you have any questions on a request, or if a request seems to cumbersome, in case we alternative ways to obtain the information.</i>
47		If your government has it's own fueling stations, provide a summary of how many stations and when located.

Please provide the information for this.

Regards,
