To Whom it may concern,

In regard to the below information, it gives me the impression that City of Stevenson Fire and Skamania County District 2 Fire, are 2 separate entities. In the one document I attached, there was a mention of "noted certain matters that we communicated to the district".

Please accept this as my public records request. Please fill via email with a PDF file:

Any management letters/notes of concerns or "matters"(as noted in report) for City of Stevenson Fire and Skamania County Fire District 2 from Jan 1,2014 to todays date of Feb 26,2024

Thanks,
Staci
